Winneba, June 1st, 2011

In the footsteps of Baden-Powell

Dear Scout Brotherhood,

The year 2012 is a very important year for scouting in West Africa as we to organize a very special event. You are invited to:

AFRICA JAMBOREE 2012
25th - 31st of July
Winneba - GHANA

You are all welcome as long as your scout organization has the Scout Law and Scout Promise. Scouts, Rovers and Leaders, we look forward to host you in the beautiful African nature, close to the beach and lagoon and surrounded by Coco palms.

Ghana is a very peaceful country with a gentle and open minded population, who are happy to receive visitors. Winneba is a small town with a big university and has a good infrastructure, which can support the big number of participants, who we expect to come to this unique Jamboree.

The Jamboree site is also close to Cape Coast Castle, where BP was in 1896 as officer in the British Army. We will organize sightseeing and activities at the castle and surroundings.

The activities will be a mix of African, Traditional and Modern Scouting so you can expect many things, which you have never discovered before. Rovers can participate in ADVENTURE EXPEDITION, where they follow in the footsteps of BP; some of the way from Cape Coast to Kumasi.

The PRE-Jamb is from 16th of July; we build the camp, but have special Rover activities as well.

We also offer a limited possibility of guided tours to others parts of Ghana and Burkina Faso after the Jamboree.

Welcome to AFRICA JAMBOREE 2012 in GHANA - AKWABA (welcome)
Yours in Scouting

Dr. Ole Jacobsen
Jamboree President
