WFIS-Europe, European Office, Angelstr.15, 65558 Heistenbach / Germany

23.12.2017

To our members, prospect members, friends ...

2017 is approaching the end and Christmas is near - for many, a time of happiness and family, for others a time of sadness, as they remember fellow Scouts who are no longer with us. For WFIS it is memories of the many camps, the workshop, GA and other activities which have brought together so many Scouts throughout the year that we remember so fondly.

Let us enjoy our time with family and friends and start 2018 with tolerance in our hearts, a tolerance that if spread worldwide, would lead to a peaceful and caring world as our founder Baden-Powell hoped for, with his dream of international Scouting.

We wish you a happy Christmas and much Scouting in 2018

Yours in Scouting
