

## INVITATION WORKSHOP SPAIN MADRID 2018

Dear WFIS members:

As you know, this year, the WFIS Workshop will be located in Madrid - Spain. We have chosen a very special place for all those who know the Spanish culture, Alcalá de Henares. Birthplace of Miguel de Cervantes, writer of one of the most famous and most published books in the world "Don Quixote de la Mancha".

From ASIM (*Asociacion de Scouts Independientes de Madrid*) we invite you to share and enjoy this event with us, and we hope the activities offered are not just good fun but, also useful.

If you are interested in this event and would like to assist, please register before September 14, 2018. When the application arrives a confirmation letter, with further details, will be sent to everyone.

At the end of the workshop, when you return to your countries, we would like you to be able to apply our workshops with your kids. The workshop will be divided in 3 days: Friday (Reception), Saturday (Workshops) and Sunday (Scout Market, exchange of badges and farewell).

**Friday:** Welcome day.

**Saturday:** You will be able to move around the different organized workshops combined with the touristic and cultural tour in the morning and afternoon.

As a cultural tour we have organized a route through Alcalá de Henares walking in its streets and most emblematic places. Two turns will be organized, one in the morning and the other in the afternoon.

In the evening we would like to spend some quality time together, singing and sharing stories about our groups. You can carry your own musical instruments to participate.

**Sunday:** After breakfast there will be a small scout market, where you will have the chance to buy objects from the different groups and exchange badges. During the morning we will celebrate the Closing Ceremony and take a group photo.

The workshop participation price is € 65 per person, including all expenses related to lodging, food and materials for the workshops. Make sure you pay the correct amount to the bank account at the end of this letter (Indicate "Workshop Madrid" as reference).

Any communication related to your participation in the Workshop will be made by the following contact information:
