

PIONET...

PIONET...

- > It's for **all European Patrols**
- > **9 months** of activity!
- > **2 phases** in which the Patrols will be evaluated
- > **1 Patrol** that will **win**
- > the Patrols will have to work very hard to win!

Let's start with the name...why PIONET...?

It is the union of two words:

PIONEERING (we won't even explain it, because if you don't know what it means ... your Patrol will not even be last !!) and

NET..., as **NETWORK**, it is meant in the sense of connection between several people, in fact, the activity of a Patrol is the SUM OF the work of its Scouts!

The **PATROL LEADERS** will decide what each Scout will have to do.

The final result will be the sum of the work of the Patrols, so the report will have to show in particular the contribution that each Scout has given.

THE ACTIVITY WILL BE DEVIDED IN TO TWO PHASES:

1 **.FIRST PHASE:** each Patrol must do a complete design of the structure and calculation of the materials and a report must be submitted, as more detailed as possible, **by April 30, 2019.**

2 **.SECOND PHASE:** realization and consequently, submission of a detailed report with photographs **by October 30, 2019.**

The works will be evaluated by "professionals".

The sum of the votes of each individual phase will provide the final classification.

There will be three prizes for the first three classified Patrols:

1st place: a very special prize for each Scout of the Patrol

2nd classified: a special prize for each Scout of the Patrol

3rd classified: a prize for each Scout of the Patrol

Each Scout that participated will receive a badge and each Patrol a participation certificate.

HOW TO PARTICIPATE:

Such an important decision ... can only be taken by each individual Patrol! After the decision, an e-mail must be sent to: pionet@wfis-europe.org

that says:

"We are the XXX Patrol (and the name of the Association and Nation) and we want to participate at PIONET...!!!!"

From that moment on, it will be enough to unleash the imagination and the technique ... and ... good pioneering to everyone !!!!!

All reports must be sent by email to: pionet@wfis-europe.org
